

pronzio
OLEODINAMICA

The background of the cover features a collage of industrial images. The top half shows a close-up of a hydraulic valve or pump assembly with a needle-like component. The bottom half shows a row of cylindrical metal parts, possibly pistons or valves, arranged on a surface. The entire design is overlaid with diagonal white and grey bands that create a sense of movement and depth.

Aluminium and Cast
Iron gear Pumps, Motors
and Flow Dividers

Ronzio Oleodinamica Spa manufactures gear pumps, motors and flow dividers in aluminium and cast iron for a wide range of industries, including: construction, forestry, agriculture, commercial vehicles, earth moving, and machine tools.

Our company is focused on quality and precision. We use high quality components, and the most advanced computerized machines, in both production and testing products

Over the years our company has created a streamlined family-run structure that combines tradition and innovation, exporting Made in Italy all over the world. The company, established by Dante Ronzio in 1954, is now represented at all levels by the second generation of the family.

In the sign of continuity and in the process of internationalization and innovation, even the third family generation moves its steps within the Company.

100% Made in Italy production

Innovation and cutting-edge technologies

Customisation on specific requests

Special products on customer's request

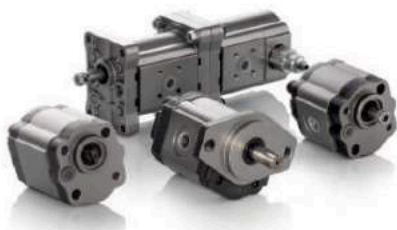

Over 60 years of experience

Dealers all over the world

Aluminium pumps and motors

Series Z1

Cast iron or aluminium covers

Capacities:

from 1.1 to 8.8 cc / from 0.067 to 0.537 cu in

Continuous pressure up to 300 bar / 4351 psi

Peak pressure up to 350 bar / 5076 psi

Series Z2

Cast Iron Covers

Capacities:

from 4 to 31 cc / from 0.244 to 1.891 cu in

Continuous pressure up to 300 bar / 4351 psi

Peak pressure up to 360 bar / 5221 psi

Series Z3

Cast Iron Covers

Capacities:

from 20 to 90 cc / from 1.22 to 5.492 cu in

Continuous pressure up to 280 bar / 4061 psi

Peak pressure up to 4496 psi

Cast Iron pumps and motors

Series W2

Strong and compact

Capacities:

from 4 to 40 cc / from 0.244 to 2.44 cu in

Continuous pressure up to 300 bar / 4351 psi

Peak pressure up to 350 bar / 5076 psi

Series W3

Heavy duty application

Capacities:

from 15 to 80 cc / from 0.91 to 4.88 cu in

Continuous pressure up to 300 bar / 4351 psi

Peak pressure up to 350 bar / 5076 psi

Series W4

Heavy duty application

Capacities:

from 75 to 150 cc / from 4.57 to 9.15 cu in

Continuous pressure up to 270 bar / 3916 psi

Peak pressure up to 320 bar / 4641 psi

Aluminium flow dividers

Series Z1-Z2

Very High Synchronism

Capacities:

from 3.7 to 31 cc / from 0.225 to 1.891 per section

Cast iron flow dividers

Series W2-W3-W4

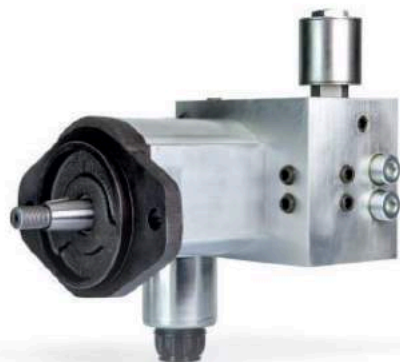

Very High Synchronism

Capacities:

from 35 to 150 cc / from 2.135 to 9.15 per section

New Products

Fan Drive

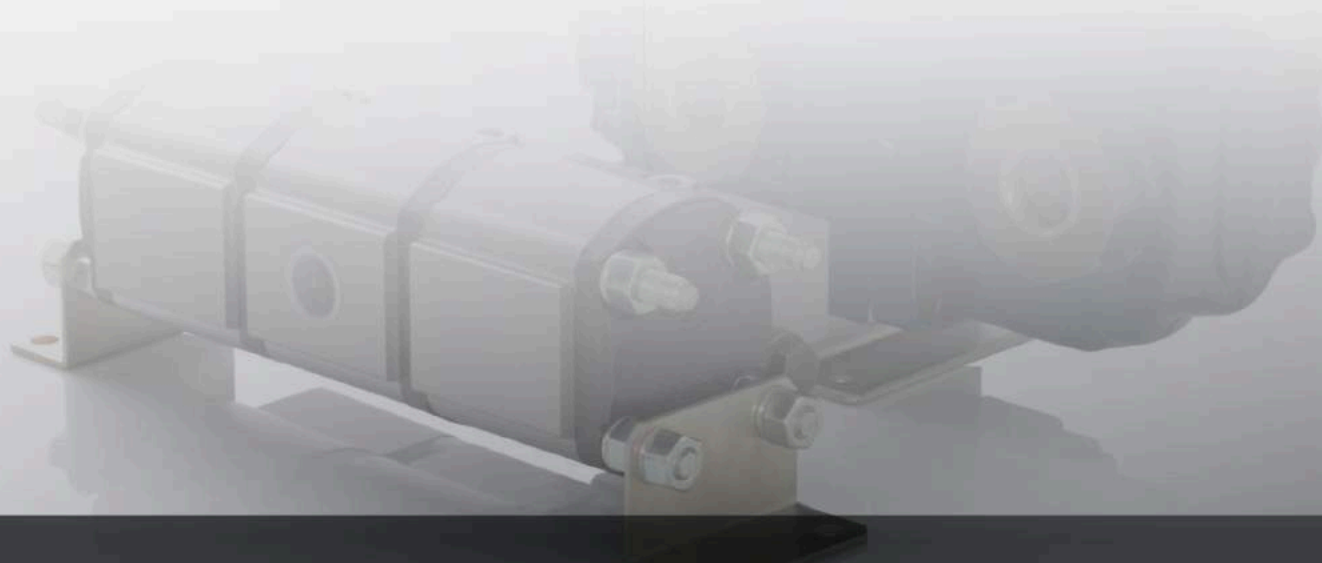

Fan Drive solutions for mobile applications

Fan Drive

Fan Drive solutions for heavy duty applications

FLOW DIVIDERS & NEW PRODUCTS

Truck Pumps

Series NF

Cast irons pumps for mobile applications
Capacities:
from 15 to 150 cc / 0.915 to 9.15 cu in

Agricultural Pumps

Series PN-PD

Cast irons pumps for heavy duty applications
Capacities from 15 to 150 cc / 0.915 to 9.15 cu in

New Products

Series AP3

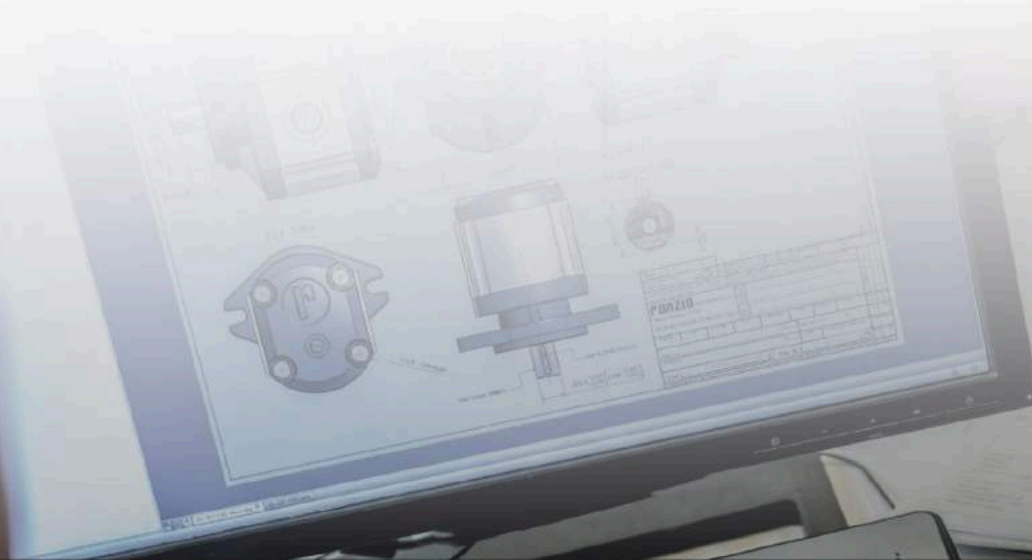

High pressure pumps and motors

Series Evo group 3

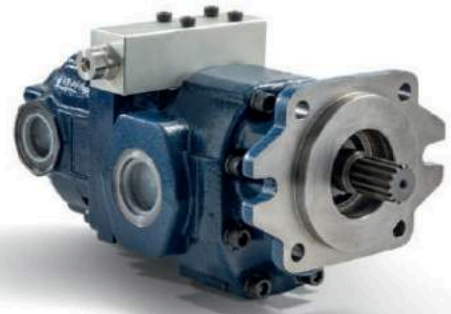

Low noise and low pulsation gear pumps.
High efficiency with low speed and high temperature

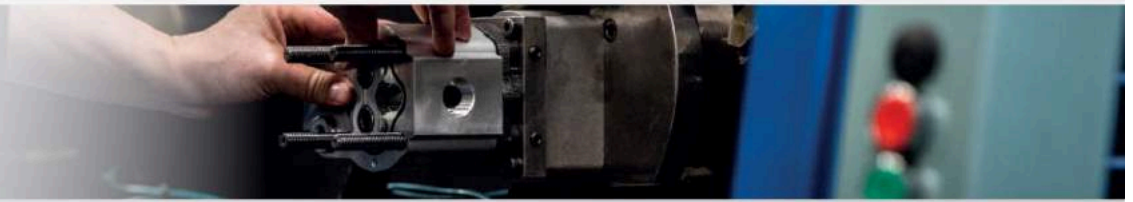

Customized pump for PTO applications

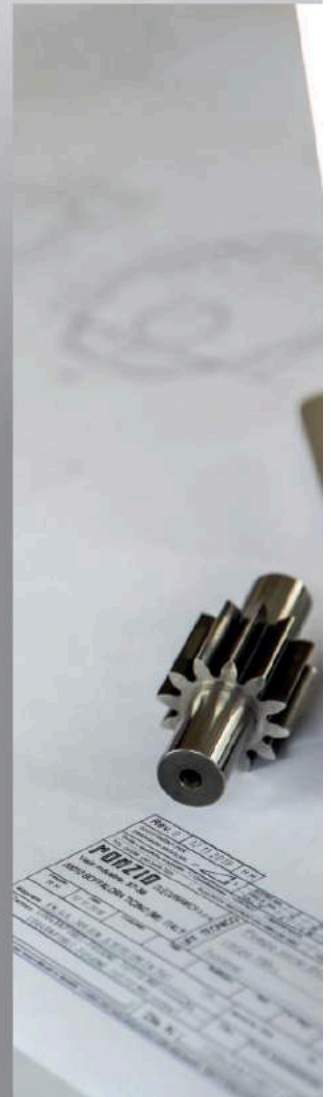

Customized motor with integrated valve
for heavy duty application

Over the years, our company has been able to work for national and international partners and clients operating in a wide range of industries.

Our hydraulic pumps are used today in various application:

- Agricultural
- Industrial
- Earth / construction movement
- Forestry
- Industrial Vehicles
- Mining
- Lifting and transport
- Naval

DEALERS WORLDWIDE

Thanks to the collaboration of qualified partners and dealers in different continents we are able to supply and export the quality of Ronzio Oleodinamica products worldwide.

Ronzio dealers in the United States, Russia, China, Canada, Australia, New Zealand, Great Britain, Ireland, Turkey.
